

George's Cafe Gutted In Early Morning Blaze

Volunteer Fire Fighters
Roused at 3:30 A.M.
To Check Spread

Fire starting from an overheated oil stove in George's Restaurant at 3:30 o'clock Monday morning gutted the building and threatened to spread to other businesses along the main business block before it was brought under control through the fast and effective work of the Truckee Volunteer Fire Department.

The proprietor, George Andrich, had gone to the restaurant early in the morning to prepare for the opening of the day and turned the oil into the heater. The fire-box was flooded before Andrich got around to lighting it and when it ignited the lone man found that he was unable to control it.

After several efforts to bring the flames under control, Andrich left and called the department.

By the time the firemen reached the scene, the fire had gained considerable headway and was burning throughout the dining room. By cutting holes in the roof, the firemen played streams of water on the blaze and kept it from spreading.

Smoke damage resulted in the Mattheus Furniture store and in R. N. Little's real estate and insurance office but nothing was destroyed outside the restaurant itself.

BESIO HANDICAP BEATS GREGORY IN GOLF EVENT

With a low net score of 78, Angelo Besio won the annual Lions Club's golf tournament at Reno Sunday, outpointing Rufe Gregory, whose net was 79. Gregory, however, with a handicap of four strokes, ended with 83 for the low gross. Besio's handicap was eight.

Other winners included Elden Tonini with a gross of 85 and an 81 net; Dr. Larry Nelson, 97 gross and net of 81; F. W. Gaiennie, 89 gross and 83 net; Robert Gifford, 111 gross and 86 net; Earl Stice, 116 gross and 86 net; and W. M. Englehart Jr., 106 gross and 86 net.

Preceding the dinner which followed the games, Norman Mayfield and Joe Henry were hosts at a cocktail party given at the club house.

Gaiennie was tournament director. Twenty players were entered in the match.

Meiss, Doris Wakefield Wed in Reno Friday

A wedding of interest to their many Truckee friends was performed in Reno Friday when Mrs. Doris Willetha Wakefield became the bride of Edward Albert Meiss. Both are well known here where they have resided for some time. Meiss is an engineer for the Southern Pacific Company. The couple will make their home in Truckee.

Rebekahs' Food Sale Set for Next Week

Naomi Rebekah Lodge No. 2 is planning a food sale at the Public Utility office Thursday, September 22, starting at 10 a.m.

The lodge held a regular meeting last night and following the business session, refreshments were served by the Noble Grand.

Peninsula Man Fined For Drunken Driving

Justice of the Peace R. N. Little levied a \$200 fine against Henry Vernon Chavez of San Mateo following the latter's arrest on a drunk driving charge. Chavez was arrested by State Patrolman William Gautsche.

Gala Ladies Night Is Planned by Rotarians

Preparations are being completed this week for the Ladies Night program of the Truckee Rotary Club to be held Monday evening, September 19, at Capitol Hall. Members of the Lions Club and their ladies are extended an invitation to join in the evening's entertainment by President Johnny Ciardella.

Featured on the program will be vocal selections by George Stinson, a member of the Oak Park Rotary and California Highway Patrolman, who is a widely known tenor, having studied in Italy and has been heard in a number of outstanding recitals. He will be accompanied by his wife, Frances Stinson, pianist.

Schools Report Big Enrollment As Classes Open

431 Students Signed Up
At Tahoe, Truckee
On Monday

Four hundred and thirty-two students have registered in the Truckee, Tahoe City and Kings Beach schools for the opening of the current semester, according to figures released by Superintendent Everett O'Rourke.

The total includes 88 in the high school at Truckee which embraces the entire Tahoe-Truckee Joint Unified School District. The Truckee elementary school enrollment, while at Kings Beach the total was 79 and at Tahoe City 105. The figures did not include the Donner Trails school which has been operating for some time.

At the high school, there are 35 freshmen, 17 sophomores, 17 juniors and 19 seniors, according to Principal Norman Dewhurst.

There are 36 enrolled in the first grade at the Truckee elementary school, 22 in the second, 26 in the third, 21 in the fourth, 31 in the combined fifth and sixth and 25 in the combined seventh and eighth.

Tahoe City has 19 in the first grade, 15 in the second, 11 in the third, 15 in the fourth, 15 in the fifth, 13 in the sixth, 11 in the seventh and six in the eighth.

At Kings Beach there are 11 in the first grade, 12 in the second, seven in the third, nine in the fourth, 10 in the fifth, nine in the sixth, 11 in the seventh and 10 in the eighth grade.

10 NEW MEMBERS ARE INITIATED IN SISTERS' TEMPLE

The Pythian Sisters of Summit Temple 79 held a convention on Thursday afternoon, September 8, with Laura Gaiennie, district deputy grand chief, officiating.

The evening session, headed by Most Excellent Chief Bertha Tonini, was very successful and had the largest attendance ever held in Truckee, there being 58 members and guests present. Out-of-town guests included Grand Chief Harriett Blake and husband, Harold, of Compton; Nettie Rudd and Virginia Chaplin of Live Oak Temple, Berkeley; Emma Gee of Liberty Temple, San Jose; Alva and Ben Tonini of Morro Bay; Elizabeth Yarbrough, Adelaide Starr and Ruth Heaney of Veritus Temple, Colfax.

A banquet was served at Sarge's and lovely corsages were presented to the grand chief and officers by Mrs. Gaiennie.

The following candidates were initiated into the local temple: Jean Todd, Lulu Newbern, Doris Tackett, Daisy Knowles, Mary Walters, Janet Calkins, Theresa Lyons, Dorothy Monte, Ruth Hesse and Doris Jackson.

At the close of the evening session, a gift was presented to Mrs. Blake by the degree staff. Albert Nelson sang "Moonlight and Roses" and was accompanied by Stell Englehart at the piano.

Laundry Operation Film Is Shown at Lions Meet

A movie on automatic laundry equipment operation and maintenance was shown to the Truckee Lions Club at its meeting last night by Floyd Small of the American Laundry Machinery Co. of San Francisco. Nat Quilici, proprietor of Fontana's Laundry and Dry Cleaners, was program chairman and B. W. Reynolds presided. Guests at the meeting were Joe Langer, San Mateo; Earl Campbell, Covina; Danny Hesse and Frank Quilici, both of Truckee.

Bill Wilkie In Hospital For Tests, Treatment

W. F. Wilkie Sr., long-time Truckee resident now of San Francisco, Wednesday morning entered a hospital in the bay area city for examination and treatment of a throat ailment. His many friends here will be hopeful for improvement of his condition.

Trap Shoot Slated By Tahoe Club At Lake September 25

Full Program of Events
Is Being Offered
At Meet

An A.T.A. registered trap shoot will be held Sunday, September 25, at the new Lake Tahoe Gun Club grounds near Kings Beach and a big program is scheduled and scores of participants are being registered for the events.

Andy Sorensen will be field captain. Shooting will start at 10 a.m. with 100 16-yard targets and will be followed by the 100 handicap targets, according to H. E. Brooks, club president.

The committee announced that there will be \$600 added money over the entrance fees and will be divided \$300 for the 16-yard shoot and \$300 for the handicaps. There will be competition in the four classes, A, B, C and D. Target entrance has been set at \$4 with the ATA and state fees at \$1.

Everyone is invited to attend the affair and take part or enjoy the show. John Rayburn is vice president of the club and R. N. Schlumpf is the secretary, the latter arranging the details.

HUGE SUCCESS IS FORECAST FOR BUCK STEW

Indications are that the annual Buck Stew sponsored by the Truckee Outdoor Sportsmen at Capital Hall Sunday afternoon, September 5, will be a huge success.

The committee, under the direction of President H. H. Hodson and chairman Robert Seibold, are assembling a large list of gifts for the participants and assurance has been given that there will be plenty of venison and trimmings for everyone wishing to attend.

There will be no charge for the feast and everyone is invited to enjoy the affair.

Johnny and Julia Ciardella have been designated as chefs and promise a savory repast.

Eagles' Wings Clipped By Ladies in Ball Game

The highlight of the picnic of Truckee Aerie 1124, F.O.E., Sunday was a baseball game in which the ladies downed the Eagles by an 18 to 15 score. The affair was held at the west end of Donner Lake.

Kathryn Barrett, Four, Has Birthday Party

Nine children celebrated the fourth birth anniversary of Kathryn Ann, daughter of Mr. and Mrs. Douglas Barrett, at their home on Tuesday afternoon, September 13. Pink and blue decorated the chocolate cake and party accessories. Refreshments were served before gifts were opened by the small honoree.

Games were played and enjoyed by the following guests: Cheryl and Wilana Curran, Reggie and Karen Smart, Barbara Vertner, Barry and Marcia Leamon, Sheila and Phyllis Barrett.

Truck Rolls In Canyon, Is Halted By Dwelling

The rear end of George Kamp's laundry truck was wrecked and the home of Mr. and Mrs. Edward Meiss suffered slight damage on Friday night when the parked truck broke away on the street above the house and careened down Trout Creek canyon and smashed into the dwelling.

Kamp was making a delivery at the time so was not in the vehicle. While the accident did not put the truck out of service, it bent it considerably.

Nelsons Are Toasted At House Warming

A surprise house warming for Dr. and Mrs. L. D. Nelson was arranged by Mrs. N. F. Dolley and attended by about sixty Lake Tahoe, Reno and Truckee friends on Tuesday evening. The affair was held on the patio of the couple's Gateway Park house.

Sun Beams

by Walter M. Barrett

Perhaps it is because this area has been particularly fortunate in not having the disease that the response to an appeal for funds for treatment of infantile paralysis has not been more liberal. A number have given generously, realizing the urgent need throughout the county, state and nation, but there are others who have apparently given the matter no thought beyond perhaps a smug feeling that it can't happen here. It is noteworthy that the most generous donors are people without families but who are willing to share the terrific costs to those who have been or may be stricken. The need is critical. If you can possibly give anything, do so at once. Either mail your check to Polio, c/o Postmaster, Truckee or leave it at the office of the Sierra Sun.

The injuring of 18 people in a series of accidents during the past week could have been avoided in every instance. The arrests following the mishaps bore evidence that violations were responsible in nearly every instance and that carelessness was responsible in other cases. It is entirely up to each individual driver to cut down the number of accidents on the highway. The rules of the road apply to everyone and the fact that there are those who feel that the other driver should be the only one affected is probably the cause of the increasing number of accidents and injuries.

Today is the final day for registering to vote at the forthcoming special election. Tomorrow will be too late. You may register either at the office of the Chamber of Commerce or at the Sierra Sun.

DR. J. H. BERNARD PRACTICE TOPS FIFTY YEAR MARK

On September 7, Dr. J. H. Bernard completed 50 years of active practice as a physician in California—nearly 45 years of it in Truckee. The doctor graduated from Stanford in 1899 and was connected with the Sisters Hospital in Sacramento for two years. He moved from there to Tuolumne County.

He came to Truckee on January 1, 1905 and has made his home here since that time, for many years the only physician in this vicinity. His experiences are many and varied, including breaking trail with horse and sleigh for many miles through several feet of snow to attend patients at Lake Tahoe.

Crystal Bay Residents Would Halt Restaurant

CRYSTAL BAY—Thirteen Crystal Bay property owners on Wednesday filed suit in a Reno district court to restrain Eugene H. Jarvis, prominent restaurateur, from operating a restaurant and guest house in violation of a subdivision covenant.

The property owners reside in Crystal Bay Park, where Jarvis also owns property.

Jarvis is charged with violating the covenant by selling liquor, serving meals to the public, renting rooms and erecting advertising signs at his Crystal Bay Park home.

The plaintiffs, represented by Attorney Oliver C. Custer, are J. H. and Myrtle Franz, Walter and Patricia Tobin, D. L. and Leona Acrea, Clyde and Muriel Mast, Robert and Renie Van Buren, Hildegard Willman, Harry March and A. W. Storz.

Ben Callenders to Buy El Campo at Homewood

HOMWOOD—Sale of the popular El Campo at Homewood by M. J. Fleury, who has operated the establishment for the past several seasons, to Mr. and Mrs. Ben F. Callender, widely known Lake Tahoe business people, was announced this week.

The transaction will take place September 23.

Truckee Near Top For Travel To State During Last Month

Local Station Tops Last
August But Drops
To Second

Truckee, during August, pulled to within less than a thousand cars of leading all others as a point of entry into California, according to figures released by the department of agriculture's quarantine station here.

The local station cleared 38,607 cars compared with 39,268 at Yermo. During the same month in 1948, Truckee topped the list with only 35,516, indicating an increase in travel into California throughout the state. There were 1,957 commercial trucks and 686 stages westbound through here during August and a total passenger tally in all vehicles of 114,263 against 99,040 for August, 1948.

Stateline, on the south end of Lake Tahoe, checked 13,743 cars, 189 trucks, 52 stages and 39,615 passengers while Brockway, at the north end of the lake, showed 2,310 autos, 64 stages and 6,843 passengers.

The 18 state border stations tallied 263,089 automobiles, 16,207 trucks, 4,261 stages and 843,193 passengers.

BUCK HUNTERS INVASION STARTS FOR 1949 SEASON

Deer hunters were making their annual invasion into Truckee yesterday and today with prospects for one of the biggest crowds on record to open the season tomorrow morning.

The deer are reported more plentiful than in the past few years, but with forked horns predominating, according to Warden Tom Borneman.

Forest service officials have issued a warning that the fire conditions are unusually acute and ask hunters to exercise caution to prevent forest fires. Every effort will be made to apprehend violators and penalties are severe.

Yorks Buy West End Businesses This Week

Two local businesses, the Bungalow Cafe and the adjoining Union service station at the west approach to Truckee, were being consolidated this week when the stock and equipment were purchased by Mr. and Mrs. Clarence Allen York, former Hobart Mills residents.

Duane Freeman sold his interest in the Bungalow while Alfred E. (Red) Burlingham, who recently purchased the service station stock from Harry Eaton, is disposing of his interests to the new buyers who are taking immediate possession.

Freeman said that he is retaining his do-not machine and expects to be relocated in the near future to continue in the donut and lunch business.

The Yorks will operate both the service station and cafe.

Chamber Shifts Time For Weekly Meetings

Because the directors of the Truckee Chamber of Commerce find that it is impossible to transact the required business during the brief lunch period, they voted at the last meeting held at Sarge's to discontinue the day meetings and meet weekly on Thursday evenings at the chamber office. The first evening session will be held next Thursday and all members or others having business with the directors are invited to attend.

Earl Stice presided at the meeting Monday.

Gaiennie on Program For Wyethia Meeting

Frank Gaiennie, superintendent of the Sierra Pacific Power Co. here, will be heard in recitations following the regular meeting of the Wyethia Women's Club Friday evening, September 16.

Mrs. Harry Barnes is chairman for the tea hour and will be assisted by a committee composed of Mesdames William Curran, William Englehart Jr., and Jack Ellis.

18 Are Injured In Six Accidents On Local Roads

Speed Citations Issued
To Drivers After
Most Mishaps

Eighteen people were injured in six different motor vehicle accidents during the past week, according to reports to the California Highway Patrol here.

Two Truckee men, C. Edmunds, manager of the Truckee Public Utility District, and Vernon Sadochki suffered minor injuries in a three-car accident a quarter of a mile west of Truckee Friday morning at 7 o'clock. Sadochki was driving east when his car was struck in the rear by one driven by Kenneth A. Hoover, 26, of San Leandro. The Sadochki car was knocked across the highway into the path of Edmunds' machine, causing the latter to overturn. Hoover was cited for speeding. Sergeant H. B. Fowler and Patrolman Roy Stallard made the investigation.

Wreck in Town
Monday evening at 5 o'clock, cars driven by Mitchell L. Jura-sevich, 48, Alturas, and Theodore Butlet, 50, San Francisco, collided in the west part of of Truckee, injuring the two drivers and their wives, Mrs. Jura-sevich suffering a broken arm. The injured were treated by Dr. L. D. Nelson after being brought to his office by the Truckee ambulance. Patrolmen William Gautsche and Stallard investigated and Jura-sevich was cited for speeding.

Dorothy Mae Duhamel, 35, San Francisco, was injured when her car ran off the road on Donner Summit Friday morning at 2:00 o'clock. She was treated by Dr. Nelson. Patrolman Gautsche said the driver apparently fell asleep at the wheel.

Fined for Hit and Run
Allen C. Bachman, 23, Fairfax, was fined \$250 for hit and run following his appearance before Justice of the Peace R. N. Little after a collision between his car and one driven by Edward Smith Jr., 29, Memphis, Tenn., Friday morning at 9:30 o'clock. The accident occurred four miles east of Truckee. Eugene Ardito, 24, a passenger in the Bachman car was thrown through the windshield after the vehicle ran off the road in an apparent effort to leave the scene of the collision. Patrolman Gautsche issued the citation.

Seven Hurt
Seven people were hurt Sunday at 5 o'clock near Cisco when a car driven by Albert W. Mikles, 24, Nevada City, failed to make a turn and was wrecked in the rocks near the highway. The injured were the driver, Melva Mickles, 24; Joe Mickles, 3; Linda Mickles, 2; Ruben Humes, 22; Sherill Lee, 2, and Dawnette Humes, 1. They were taken to the county hospital at Nevada City by the Truckee Ambulance. The driver was cited by Patrolman Gautsche for speeding.

P.T.A. RESUMES MEETINGS HERE NEXT MONDAY
Mrs. M. E. Brown announces that the regular fall meetings of the Truckee Parents and Teachers Association will be resumed on Monday, September 19, at 8 p.m. at the grammar school. This meeting will take the form of a reception honoring the faculties of both local schools.

Refreshments will be served following the meeting by a committee under the chairmanship of Mrs. William Bottell. All present members, parents and prospective members are urged to attend.

ROSE IS WILLING TO SERVE ON SANITARY BOARD
Although no one filed as candidate for the two vacancies on the Truckee Sanitary Board, to be elected at the polls here Tuesday, H. H. Hodson, president of the board, said Dave Rose, proprietor of the Truckee Public Market, has indicated he will serve if his name is written in.

The two directors whose terms expire are V. L. Deaton, who has declined to accept the post for another year, and C. Edmunds.

Past Lodge Chief Is Guest of Gaiennies
Mrs. Emma Gee of San Jose, past grand chief of the Pythian Sisters, left for her home Tuesday after she had officiated at the initiatory ceremonies of the local lodge last Thursday evening and had been the houseguest of Mr. and Mrs. Frank Gaiennie.

Mrs. Gee, 83 years young, who has been a member of the order for nearly 40 years, was enthused by her first visit to the Lake Tahoe, Truckee and Reno area and the entertainment planned in her honor during her stay here.

Renoite Heads 20-30; Bill Waters Delegate
Leonard Carlson, 34, of Reno was elected president of the International 20-30 Clubs at the organization's 23rd annual convention held at Santa Cruz last week. Reno was selected as the site for the 1950 convention.

William Waters represented the Truckee club at the Santa Cruz conclave.

From Folsom
Mrs. Rose Frates of Folsom is visiting here with her sons, Edward and Irving Frates, and their families.

Elmer Todd Married In Quiet Reno Rites

Elmer R. Todd, well known Truckee man, was married in Reno on September 10 to Frances Pilgrim of that city. Justice of the Peace L. E. Layman conducted the simple ceremony and witnesses were Helen Cormier and E. A. Tevelli, both of Reno.

Truckee Justice Turns In \$1493 Fine Money

Justice of the Peace R. N. Little of Truckee turned in \$1,493.50 in justice court fees and fines in August to the county treasury. Total payments to the county for the month were \$34,486.13 compared with \$150,811.82 in warrants issued against the county.

PROSIT IN BAVARIA

The United States Navy has a way of turning up in the least expected places. Here on leave at Garmisch in the Bavarian Alps, site of the 1936 winter Olympics and in pre-war days one of the most exclusive resorts in Europe, is an American sailor with two Bavarian friends performing an ancient ritual on a mountain top.

(Official U.S. Navy Photograph)

as well as a couple at the high school. It is hoped that the Floriston school will be reopened to care for the lower grades at least and save the little one the hike to the highway.

Mr. and Mrs. Ray Yurich had quite a few guests up from San Francisco this weekend. Beside their son, Tony Armanini and Yurich's brother, Duke, there were the Misses Charlotte Detels and Marcella Beismier and Melovich Marco.

Mr. and Mrs. Byron Miller's son and daughter, Paul and Carol have returned to San Jose where they attend school.

Miss Jean Hirsh of Chicago is visiting her brother-in-law and sister, Mr. and Mrs. Alex Ayala. Recently moved into town are Mr. and Mrs. Carl Grey of Verdi.

Gardenias

Although we consider the gardenia a flower raised primarily for ornamental purposes, the World Book encyclopedia says that in China and Japan the yellow fruit of this plant is used for dyeing silk, and at the Cape of Good Hope the hardwood of some species is much used for making farm implements.

Sierra Sun Advertising Pays:

Polio Foundation Asks Dimes and Dollars Now to Pay for Patient Care in Epidemic of Infantile Paralysis Throughout Country

With thousands of children and adults in hospitals today as the result of current widespread polio epidemics, and with as many new cases likely to develop in the months just ahead, the National Foundation for Infantile Paralysis has launched a Polio Epidemic Emergency Drive to provide immediate funds for patient care.

The price-tag on this year's epidemic will be so enormous, according to Basil O'Connor, National Foundation President, that \$14,500,000 must be raised to meet the national polio bill. During 1948, when there were 27,908 cases in the country, the highest number since the record total in 1916, the National Foundation and its Chapters spent \$17,000,000 in March of Dimes funds to provide epidemic services, he said. With even more cases this year, it looks as though it may cost \$25,000,000 in 1949 to pay for that part of medical and hospital care which families cannot pay themselves.

By the end of August, as much money had been advanced in epidemic aid to National Foundation Chapters whose March of Dimes funds have been exhausted by the cost of care as was sent in all of 1948. The nation's total number of cases now is as large as a full year's toll in previous years, with predictions for at least double that number before December 31.

Furthermore, it is estimated that a minimum of \$5,000,000 will be required to continue helping 1948 patients who still need clinic or hospital treatment. The National Foundation gives assistance as long as medical care is necessary, regardless of age, race, creed or color.

The money raised in the Polio Epidemic Emergency Drive will be used exclusively for services to polio patients in all states, Mr. O'Connor said. Contributions may be mailed to POLIO, care of your local Post Office.

"This emergency drive is our only hope of providing care for patients without slowing up scientific research and professional education programs of the National Foundation," Mr. O'Connor explained. "It is an ironical fact that this heavy incidence,

severely taxing March of Dimes resources, comes at a time when the nation's leading scientists are more hopeful of finding an answer to the problem than ever before.

"Scientists working under 68 March of Dimes grants at top medical and educational institutions are waging the largest research attack ever attempted against a single disease in this country, supported by March of Dimes funds. We must not interrupt the search for a solution because of lack of funds. We must—and we shall be able to do both jobs—help pay for the care of the stricken while finding a means of prevention or control—if the American people contribute now to carry the work through until the next March of Dimes in January."

Progress since 1938 when the National Foundation was formed, was indicated by Mr. O'Connor as follows:

More than \$23,500,000 has gone into a comprehensive research and education program, seeking control of polio and training of experts—virologists, orthopedists, pediatricians, public health physicians, nurses, physical therapists, and other medical workers who make up the professional army now battling the disease in laboratories and hospital wards.

At least \$58,000,000 had gone for patient care, prior to 1949, in payment of polio bills families could not meet themselves; in staffing and equipping polio centers for modern care and treatment, in establishing equipment depots in six strategic locations throughout the country from which respirators, hot pack machines, beds, cribs and other emergency supplies can be rapidly dispatched to hard-hit areas.

"We know now that fully 75% of those stricken make good recoveries if good treatment is available," Mr. O'Connor said. "Surely no one would deny a child a three-to-one chance for recovery because of lack of money."

The address is POLIO, care of your local Post Office. Send as much as you can—as fast as you can—today!

Gov. Warren Pleased With Response to District Hospital Plan

Governor Earl Warren, in a recent radio interview, discussed the development of the community hospital program in California and expressed his satisfaction at the manner in which the rural areas of the state have accepted the program. With reference to the hospital program, the governor said:

"This program was given tremendous stimulus when Congress allotted 2 million dollars a year to California for public hospital construction. This money came along right at a time when we were completing a survey of California's hospital needs and had just enacted a law permitting the formation of hospital districts. With this federal money in sight,

the legislature decided to give further encouragement to the formation of local hospital districts by having the state match the federal contribution. This means that district hospitals in California can get two-thirds of their necessary construction cost from the state and federal government. By district hospitals, I do not mean county hospitals where patients are treated at taxpayers' expense. I mean hospitals built after taxpayers have formed a hospital district and voted money for the purpose of providing themselves with a needed hospital facility.

"I have been extremely encouraged to see the manner in which our rural communities have made use of our hospital district act, and I hope the same spirit of cooperative enterprise extends itself to some of our thickly populated areas. I think it is easily under-

US Forty Four Lane Within Next Decade Says Highway Expert

RENO—John L. Springer, president of the Western Highway Institute, told a highway committee meeting here the route from Sacramento to Reno over the Sierra, US 40, is a grave threat to national defense and constitutes a peace time traffic bottleneck.

The meeting, arranged by the Reno Chamber of Commerce highway committee heard a pessimistic outlook for immediate improvement. The Nevadans were told California has too many other traffic problems to do anything about Highway 40 and they were urged to get in touch with the Nevada congressional delegation to obtain federal funds for the road.

Springer said the Reno committee should formulate a plan to urge construction of a four lane highway as soon as possible. He said California plans a four lane highway to the state line, 17 miles west of Reno, within the next ten years but there is no certainty the plan will be carried out.

Winter sports crowds were described as adding to the bottleneck and he said "cars sometimes are parked so thick near the summit that only one lane is available for through traffic."

He said Highway 40 has been designated the No. 1 military route in the nation and in the event of another war, would be of extreme importance.

County's Retail Sales Register Increase

SACRAMENTO —(W. N. S.)—An extensive survey of retail sales in California for 1948 was completed by the state board of equalization recently indicating sales were up 7.3 per cent over 1947.

Sales in Nevada County, according to the report, for 1948 totaled \$15,802,000, as against \$15,211,000 for 1947, an increase of 3.9 percent.

Sales outlets recorded for the county totaled 792 last year and 787 in 1947.

In ancient Greece the athletes' principal diet consisted of fresh cheese.

stood that the new emphasis we are giving medical care and treatment is going to require more hospitals as the years go by."

El Dorado County Judge Upholds Verdict In Tahoe Boat Injury Case

PLACERVILLE—The \$92,150 verdict awarded Miss Ebba M. Olson against Ralph Anderson by a superior court jury on August 12 will not be reduced and a motion for a new trial has been denied.

This was the effect of a ruling by Judge George H. Thompson following defense arguments for a new trial.

The suit was based on Miss Olson's injury when struck by a speedboat allegedly operated by Anderson while she was swimming in Lake Tahoe on September 9, 1948.

Come out and let's talk it over

ARMSTRONG REALTY

Box 355 Lee Nisbet, Mgr. Phone 203
Donner Lake via Truckee, Calif.

Answering promptly—giving others a full minute to answer her call—are first on Janie's list of aids to service.

How Janie helps herself to better service

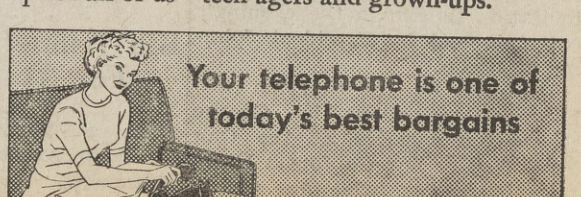

1. "Allowing a little time between calls," says Janie, "gives others a chance to call me . . . and it's a nice party-line courtesy, too." So when she's getting the gang together for a picnic, or for any reason needs to make calls in a row, she waits several minutes between each one. "It's simple to make friends with others on our line. I just use the telephone the way I like them to."

2. Looking up numbers, Janie knows, is really important. "So easy to get them mixed up," she explains. "Why, I was just sure Babs' number was 8145 . . . but when I called her I got the drug store. Turned out her number was 8415. So unless I'm really sure of a number, I'm going to look it up in the telephone book." That's a good tip for all of us—teen-agers and grown-ups.

3. Getting the most from the telephone—and helping others get better service—depends in part on every telephone user. Facilities have doubled in the West in ten years. Your telephone is today one of your most valuable servants . . . saving time, saving steps. And it still does its job for just a few pennies a call.

Your telephone is one of today's best bargains

The Pacific Telephone and Telegraph Company

Tahoe Biltmore Future In Question After Supply House Forecloses

The swank Tahoe Biltmore at the north end of Lake Tahoe last week closed its doors, leaving a custodial crew to protect the property of creditors. Whether or not the hotel will reopen next summer is problematical but it appeared this week that at least \$38,000 worth of furnishings will be removed from the resort by the Dohrmann Hotel Supply Co., a creditor.

Instruction Supervisor Named for Schools Of Tahoe-Truckee Area

Miss Miriam Gunther has been named general elementary supervisor of instruction for the Tahoe Truckee Joint Unified School District by County Superintendent Albert Bequette. She will have jurisdiction over the elementary schools at Truckee, Kings Beach, Tahoe City and Donner Trail.

Her duties are to cooperate with teachers in the district to improve classroom instruction. She will make periodic visits to the schools, observe the school program and work closely with administrators and teachers to provide better educational opportunities for elementary school students.

Summit Road Condition Subject of Protest

The condition of the road from Soda Springs to the Cedars in the Donner Summit area drew a letter of protest from Allen L. Chickering of Soda Springs to the Placer County board of supervisors.

Chickering claims the road has been badly torn up and rocks 18 inches high left in the center. He said that on one occasion when he drove over the road, he had to spend from 10 to 15 minutes clearing the road of rocks so that he could go ahead.

Huffs Hosts to Friends at Homewood Resort

HOMEWOOD—Mr. and Mrs. C. Don Huff, owners of Homewood Resort last Friday night hosted a cocktail party and dinner at the hotel for a number of friends. Guests gathered in the lounge for an hour of sociability before being seated at a beautifully appointed table for dinner.

A highly amusing interlude was provided when the Huffs' dog, Rusty, joined the party dressed in a white bonnet and glasses, with paper and pencil in mouth, ready to jot down any spicy tidbits he might pass along to the columnists.

The royal antelope of Africa is only about 10 inches high.

'Here Are They, and Here Are We ...'

The still dangerous Kashmir issue—arising from the question of whether the state of Kashmir should join India or Pakistan—seems to be nearing a peaceful solution through the efforts of the United Nations. Invitations to implement recent truce agreements have been accepted by both countries involved. Meanwhile, however, U. N. military observers stay on the job, to check on possible unauthorized advances beyond accepted "cease fire" lines. Here a U. S. lieutenant and a Canadian colonel, under orders of a U. N. Commission, check positions of opposing troops.

Bob Jefford Secretary Of Keystone Lions

L. R. (Bob) Jefford, member at large of the Truckee Lions Club and active in the club programs as a resident of Grass Valley, has been appointed district secretary for Pennsylvania by the Lions International, according to word brought back by Jefford from a recent trip to Chicago. He leaves this week

for Harrisburg, Pa., and later will return for his family. Jefford was at one time coroner of Nevada County and more recently operated a men's clothing store in Grass Valley.

Small Game

Reports from over the nation indicate that small-game populations in most sections are on the upswing of their periodic cycles, according to the Wildlife Management institute.

Decision Is Deferred On Water Rates In Lake Forest District

TAHOE CITY—On Wednesday afternoon last week an estimated 60 persons, all residents of the Lake Forest area, met in Tahoe Community hall here to attend a preliminary hearing before members of the state public utilities commission regarding a request for a raise in rates by Ted Finger of the Lake Forest Water Company.

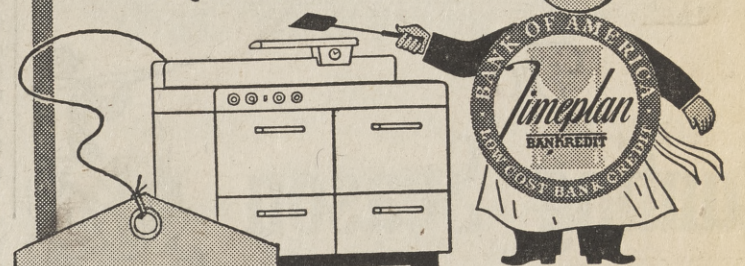

The hearing was filled with lengthy arguments for and

against the proposal. It was decided the property at Lake Forest would be resurveyed and a thorough study of the information be made before a decision would be handed down.

Finger produced his books giving the cost of operation since he purchased the system several years ago and his customers presented their pleas for more adequate water supply and better service. No decision will be forthcoming until November 1 and rates will remain as at present until then. Finger is requesting \$40 annually per lot.

Drive the world's most useful car!

It's easy to see why the Kaiser Traveler is one of America's fastest-selling cars! There's real prestige in owning a truly big luxury sedan; real convenience in having a full-sized, pay-load cargo carrier; real economy in operating such a gas-and-oil saver!

Kaiser Traveler only \$2088*

You can find other cars that are "something like" the Kaiser Traveler, but only the Kaiser Traveler is both a full-fledged cargo carrier and a real luxury sedan! Almost any family can afford to buy and operate the Kaiser Traveler.

It's the first 2-cars-in-1...first in usefulness, first in roominess, first in low initial cost and first in operating economy.

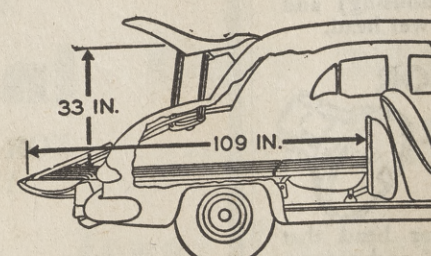

Before you consider any car that promises to help pay its own way, see, ride in and compare the Kaiser Traveler...feature for feature, inch for inch, dollar for dollar! It's the world's most useful car!

Hear! Hear! Hear! Walter Winchell. Every Sunday evening, A.B.C.

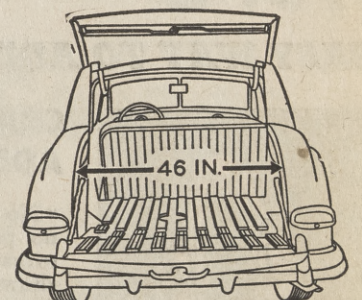

*Factory delivered and equipped. Federal tax paid. Transportation, Local taxes (if any) extra.

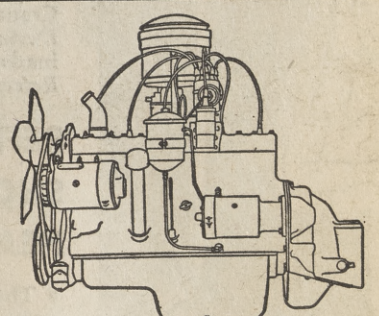

Only Kaiser Traveler converts in just 10 seconds from a six-passenger sedan to an all-purpose, high-speed cargo carrier with 130 cubic feet of pay-load cargo capacity.

Only Kaiser Traveler gives you this out-sized cargo hold, over 10 feet long with a full 33 inches of clearance above the fold-down tailgate. Rear seat folds into floor.

Only Kaiser Traveler has a cargo hatch that swings open clear to the roof, with 46 in. minimum width, and 38.6 square ft. of steel-shod deck space in the cargo hold.

Only Kaiser Traveler gives you the modern 7.3-to-1 high compression Thunderhead engine...a quiet, smooth and spirited gas and oil miser with power to spare.

Ask your neighborly Kaiser-Fraser dealer for a demonstration

Taboe Letter

FROM SWANEE

Tahoe City, Sept. 12

Dear Tahoeites:

All is in readiness for the opening of buck season here on Friday, September 16. Menfolks unwrapped their hunting equipment from the mothballs weeks ago and guns are oiled and polished in anticipation of the big day. Reports from those traveling the Tahoe area would indicate that many deer have been sighted over the past few weeks, sometimes bucks being seen in groups together and other times does and fawns. All of which only goes to prove that bucks, like gold, are where you find 'em.

On Wednesday Carl Bechdolt, Jr., John Flagg, Bill Bechdolt, Bill Connors, all of Tahoe City area, Fred Balsano and C. J. Virgilio of San Francisco will pack into Shank's Cove where they

will make camp and seek the elusive buck. Carl Bechdolt Sr. has already departed for Steamboat with a party of friends from Newman and Alfie Luhrs, Dr. Crane, Dr. Allen, Bud Crane and five others of their party will leave for Shank's Cove district to set up camp. I'll bet my last nickel they bring back a fine lot of heavy deer—they always do.

Hear Howard Carnell is home from his Marine station at San Diego for a 30 day furlough. He's reported looking as though the service is thoroughly agreeing with him.

I see Constable Harry Johanson's new garage is just about completed. It will be a nice addition to his property and very handy this winter.

Some advance scouts for Paramount Pictures have been at Tahoe where some trial shots were made a week or so ago.

Dave Chamber is awaiting word from them tonight whether they will choose Lake Tahoe for the shooting of their scenery or Lake Arrowhead. Both places are under consideration, Chambers declares. Here's hoping Tahoe wins.

During August, Mr. and Mrs. John Flagg of Tahoe Park flew to Bloomfield, Iowa, to visit her uncle, Dr. Homer Gilfillen, whose four sons, all doctors, operate a large clinic in that city. The sons are Doctors Earl, Edwin, Clarence and Homer Jr., whose unique record of cooperation and civic service will soon be published in one of the nation's leading magazines. Dr. Harold Gilfillen of San Francisco, another brother, Miss Shirley Flagg and Mrs. Flagg's mother, Mrs. Cora Moon of Dutch Flat, also accompanied the Flaggs east. Highlight of Dr. Gilfillen Sr.'s life story will include 56 years of uninterrupted service to his community where he is a respected retired physician now. The large, modern clinic, visited and photographed by the Flaggs during their stay, was founded and built by the elder doctor and his sons, the latter continuing to operate the establishment since their father's retirement.

The entire Lake Tahoe area regretted reading this week of the passing of James A. Murphy, 91, at his home in Sacramento. He was a friend of James Marshall, whose discovery of gold started the 1849 Gold Rush. His brother, George, 93, survives him in Oakland. Together with his

GOOD FISHIN'—Miss Helen Slawek exhibits the type of striped bass she hopes to catch in the Rio Vista Bass Derby and Water Carnival at Rio Vista Sept. 24-25. Thousands are expected to attend the affair which will be featured by an aquatic carnival, barbecue, parades, boat races, swimming and diving exhibitions and general festivity.

brother and brother-in-law, Luke Morgan, they started one of the first resorts at Lake Tahoe. It was known as McKinney's or Murphy Brothers and now operates as Chambers' Lodge. Surviving also are his daughter, Mrs. Harry J. Lawson of Sacramento, four grandchildren and two nieces. The Murphy family reportedly started coming to Tahoe on their summer vacations sometime around the year 1864, loving this mountain wonderland so sincerely they never missed a summer. Brother George and members of his family are reported to have visited briefly at their Meeks Bay summer home during the early part of this season.

Once again the welkin rings with the voices of school children, 105 reported registered at Tahoe Lake Elementary.

Will ring off for the week and send along best wishes to all, as ever, Swanee

Tahoe-Sierra Association Meeting at Brockway Gets Advertising Report

BROCKWAY—President H. O. Comstock of Lake Tahoe-Sierra Association presided at a meeting of that group at Brockway Hotel Monday, following a dinner served in the resort's dining room.

Out-of-town guests included Arthur S. Dudley and Robert of the Sacramento Chamber of Commerce, and Stanley Yore, Barney Bell and Joe Saia, all of the capital city; George Karner of Baxter's; Lawrence Grady of the El Dorado County Chamber of Commerce and wife; Ed Chism of Reno Chamber of Commerce and wife; Mrs. Ruth Lusch, the Reno chamber's publicity director; State Engineer A. M. Smith and his assistant, Hugh Shamberger, of Nevada.

Three new directors were appointed to serve on the board. They were George Phillips of Sandy Beach, Fred Main of Tahoe City and Jack Dempsey of Pinecrest Hotel, near Tahoe.

Don Huff, owner of Homewood Resort, was chosen to represent the area on the statewide and regional boards in the administration of a million dollar fund set up by the last California legislature for corrective measures in public health and sanitation matters in the state. Lake Tahoe is one of the most important regions for such measures due to its phenomenal growth in the past decade. Huff has taken the appointment under advisement and will report as soon as he has had time to consider it.

Smith and Shamberger gave detailed reports on the water problem Lake Tahoe faces and discussed the steps California and Nevada have taken to protect this valuable water supply.

For the year 1948, in respect to Nevada alone, only 73.95 acre-feet of water were used and is subject to appropriation. In continuous use for 20 years this would lower the lake only about one-seventh of an inch. Shamberger told how the lake was divided into 26 sectors for the purpose of making a two-state study. A total of 108,000 overnight visitors were found to have visited Lake Tahoe during June, July, August and September of 1948. Net domestic use of water for 1948 was 250 acre feet with the total, including irrigation and sprinkling, totaling 5,090 acre feet for the year. Chief need of the survey was to determine the amount of water which would be required for future use. Assuming the population doubled in the next 25 years, it was estimated domestic use would be increased by 250 acre feet per year which would take off the lake level one-fortieth of an inch or 6,000 acre feet over the period.

Secretary Henry F. Droste gave the annual financial report and declared that 90 per cent of the money collected in 1949 had been spent on advertising Lake Tahoe by means of folders, billboards, magazines, newspapers

105 Tahoe City Students, 79 at Kings Beach Start to School Monday

TAHOE CITY—Enrollment in Tahoe Lake School on opening day, September 12, was 105 students. Nineteen in the first grade, 15 in the second, 11 in the third, 15 in the fourth, 15 in the fifth, 13 in the sixth, 11 in the seventh and six in the eighth. Teachers are Mrs. Myrtle Gallinger, principal; Robert Gilbert and Edna Lardner.

At Kings Beach 79 children enrolled as follows: 11 in the first grade, 12 in the second, seven in the third, nine in the fourth, 10 in the fifth, nine in the sixth, 11 in the seventh and 10 in the eighth. Teachers are Charles Chubb, principal; Mrs. Sara Ernst and Helen Beck.

Returns to Oakland—

Miss Barbara Mayhew has returned to Oakland following a two month vacation at her parents' Ward Creek Cottages.

and letters.

George Kehlet, chairman of the advertising committee, outlined the association's advertising campaign for 1950, one item to be the doubling of output of the new, beautifully illustrated 1949 folder in vivid colors, 50,000 of which were printed this year. Increased space will be purchased in some of the nation's leading magazines and larger and better billboards will be secured, Kehlet said.

Election of new officers and directors is scheduled for a meeting to be held before the end of the season at a date to be announced later.

Birthday Party Friday For Carol Wilson

TAHOE CITY—Carol Wilson, daughter of Mr. and Mrs. Ivan Wilson of Lake Forest, on last Friday celebrated her 13th birthday. Her mother invited some of her friends to her home for a party which included a treasure hunt, games and a swimming party on the beach at Lake Forest. Birthday cake and ice cream rounded out the afternoon.

Guests who enjoyed the occasion included Jacquie Abbott, Karen Decker, David Miles, Dick Rood, Joan and Jerry Rudolph and Carol Street, all of Kings

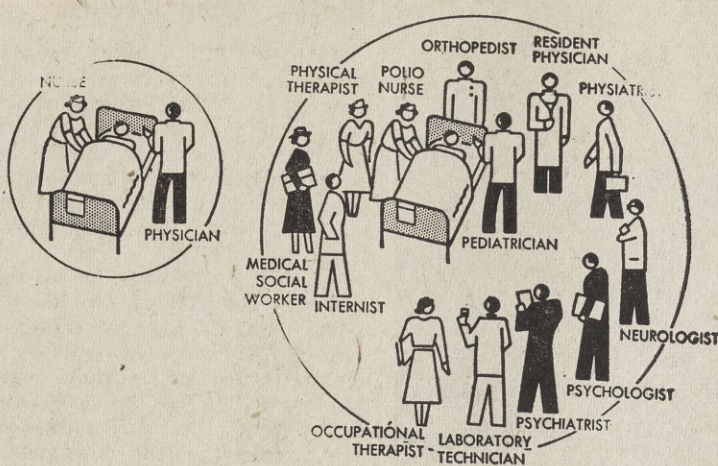

Beach; Douglas Wilson, brother of the honoree, and her aunt and uncle, Mr. and Mrs. James E. Critchett of San Francisco.

Morning Mercury Nears Freezing at Tahoe

TAHOE CITY—The level of Lake Tahoe on Monday morning stood at 6224.37 with 183 CSF of water leaving the gates here. Hottest day of the past week was on the 7th with 75 degrees and coolest was on the 11th with a chilly 33—one degree above freezing.

GROWTH OF POLIO CARE TEAM

1938

1949

Medical care for polio patients is costing the National Foundation for Infantile Paralysis more money than ever before—because better treatment is available today than formerly, as the accompanying chart reveals. Until 1938 when the National Foundation was formed, a physician and a nurse usually comprised the best available care. Today, modern polio treatment may include 13 specialized services, provided by an entire TEAM of professional workers. This expanded care has cost National Foundation chapters millions in March of Dimes funds. More money is needed immediately to continue these services. Support the POLIO EPIDEMIC EMERGENCY DRIVE to help care for today's polio patients. Send your contribution now to POLIO, care of your local Post Office.

Club Women of Tahoe Prepare to Welcome Tri-County Meeting

TAHOE CITY—President Jeanette Mitchell of the Women's Club of Tahoe is receiving reservations for a convention of the Tri-County Federated Women's Clubs to be held at Homewood Resort on September 29. Representatives from 13 clubs are expected to be present. Reservations may be mailed to Mrs. Mitchell at Box 387 or members may phone 60R in Tahoe City not later than the 27th.

The morning session will start at 10 o'clock and speakers will include Mrs. Belle Brock, Tri-County president; Mrs. Mitchell, who will welcome the members and guests; Mrs. J. H. Cooper, state president of the Federated Women's Clubs; and Mrs. Edward K. Lange, northern district president.

Luncheon will be served at 12:30 on the veranda of Homewood Resort, weather permitting. Following luncheon a short musical program will be provided by Mrs. Laura Wilson, music chairman of the Tahoe club. This will include piano solos by Mrs. Wilson, accordion numbers by Mrs. Mildred Brown and vocal solos by Mrs. Maizie Carnell.

A short business meeting is scheduled for Thursday at 2 p.m. by the local club women.

Almost a third of the nation's aliens live in New York State.

Tahoe District Personals

Among those visiting the Sacramento State Fair from Tahoe were Denis Sach and sons Denis Jr. and Robert, Mr. and Mrs. Allan Pollitt and daughter Myra Lee, James Baker and Mr. and Mrs. E. H. Pomin of Tahoe Park, who were guests of their neighbors, Mr. and Mrs. John Nerond of Tahoe Park and Sacramento.

Reported ill at his home at Richardson's Resort is Al Richardson Sr. Recently returned from the hospital, he is recuperating slowly. His wide circle of friends at Tahoe wish him speedy and complete recovery.

Harry Pierson, swimming instructor at Tahoe Tavern for the past few seasons, left with his wife last weekend to seek a home near Sawtelle Veterans Hospital where he will be a physical education instructor.

Bill Callender, son of Mr. and Mrs. Ben Callender of Homewood, left on Friday to enter University of California at Berkeley to study petroleum engineering.

Miss Virginia Carroll, who summered with the Douglas Smith family in Tahoe City, has returned to Carson to resume her school studies.

William Steenis was a visitor at the Charles Swanson home in Tahoe City from Reno Sunday.

Dr. Lloyd Heaney of San Francisco and family spent the weekend at their summer home in Tahoe City.

Mrs. Ben Callender returned to her Homewood home Sunday following a two months vacation in Santa Rosa where she visited with her parents, Mr. and Mrs. P. W. Bussman, owners of a large hop ranch.

Mr. and Mrs. Phil Gallinger returned last week to their Tahoe City home following a vacation at Grover City and Pismo Beach. They returned home via Lassen and McCloud.

Alexander Cushing, secretary-treasurer of the Squaw Valley Development Company, left last weekend by plane for several days visit in New York.

Dave Chambers discloses this week that Dr. C. B. Pedersen of Tahoe Tavern, who has been visiting his family in Auburn, will return to the lake to remain indefinitely at Chambers' Lodge.

It's another boy for the George Hatwigs of El Cerrito. Mrs. Hatwig is the former Betty Sisk of Tahoe. The young man tipped the scales at 7 pounds 5 ounces and has been named Jeffrey Allan. He

Truckee River Water At Lowest Point In Past Ten Years

RENO—Walter Bell, Truckee River watermaster, says water is shorter at all points dependent on the Truckee River for their supply than at any time in the past ten years.

Upstream storage has dropped to 241,000 acre feet, approximately 73,000 acre feet below a month ago and 155,000 acre feet below what is was a year ago at this time.

He says present storage is only 30 per cent of capacity of the upstream reservoirs on the river.

Lake Tahoe has been losing 2400 acre feet daily to downstream uses. If it continues to fall at the rate of recent weeks, about 1 1/2 inches weekly, Bell says it will be down to the natural rim in November. Boca, Donner and Independence Lakes contain only about 52,000 acre feet of water.

Skip-A-Long Salvage Stalled at Tahoe By Wind, Rough Water

TAHOE CITY—On Saturday, Skip-A-Long of California, R. Stanley Dollar Jr.'s prizewinning speedboat, which went to the bottom of Lake Tahoe in 468 feet of water off Tahoe Pines, was still there. The Navy crew of five men who came up "on their own" to see if they could lend a hand have gone home but may come back later if needed.

Ollie Meek, Dollar's chief mechanic, still hopes that by persistent effort and some new approach the 7,000 pound racer may yet be brought to the surface and eventually bring further glory to the Dollar colors. On Saturday he was unable to work on the salvage job due to rough water and wind on the lake but he hopes to get 400 feet of wire line on the Bendix depth recorder sent up from Los Angeles.

Races won by the Skip-A-Long included the following:

July 2, finished second in the Gold Cup Race, Detroit River.

July 4, won the Henry Ford Memorial Trophy race, Detroit River.

July 17, won Percy Jones General Hospital Trophy race, Gull Lake, Mich.

August 1, won British International Harmsworth Trophy race, Detroit River.

August 1, won Detroit Marathon Trophy race, Detroit River, and Fred M. Alger Trophy for the fastest lap.

In each of these events, the Dollar boat set new records for either one lap or for the entire event.

arrived on September 9.

A Reno marriage license was issued this week to Herbert R. Parker of Reno and Geraldine Kirkpatrick of Tahoe City.

Mr. and Mrs. E. M. Frost left Kings Beach for Fontana where they will spend the winter.

Mr. and Mrs. N. J. Lindendorf left Meeks Bay for their Los Angeles home where they will enjoy a second reception in honor of their golden wedding.

The A. R. Specht family have left Homewood for San Francisco.

Gas Tax Problems Aired by Experts At Tahoe Meetings

TAHOE CITY—One hundred and forty members of the North American Gas Tax Association wound up their three-day convention at Tahoe Tavern Saturday night.

The first day's session last Thursday was opened with a welcoming address from Jerry Sea, well of the state board of equalization and R. E. Cahill, secretary of the Nevada Tax Commission. President Al Schenkosky from Topeka, Kansas, delivered the president's annual message and presided at the sessions.

Speakers included V. R. Tomlinson, attorney for the Sinclair Refining Company of New York; Paul Culver, bureau of revenue, Santa Fe, N.M.; K. K. Douglas, Columbus, Ohio, chief of the state motor fuel tax division; James W. Sinclair, Union Oil Co. of California; S. S. Starr of Oregon; Leon Stack, tax attorney of Kansas City; Robert Craig, California board of equalization, and Cmdr. W. A. Hearn, from the judge advocate's office of the Navy.

Chief topic of the three-day conference was a proposed tax-

tion of fuel used by carriers which refund at terminals, yet travel across a number of states which derive no revenue from the fuel purchases.

Tomlinson urged states and the petroleum industry to seek a uniform definition of what motor fuel is. He pointed out that many state laws were adopted at a time when larger units of industry controlled distribution. Today many thousands of independent operators are concerned, he declared, and where tax laws differ or changes are effected quickly, it affects thousands of people instead of the former few large industrial units. He also urged that more time be given industries in which to file tax returns.

Culver urged that methods be devised by the states for carriers to pay a gas tax in proportion to the actual mileage traveled in each state, regardless of where purchase of fuel is made.

Douglas believed it preferable to stick to the present system whereby the gas tax was paid in the state where the fuel was purchased.

Starr advocated the system worked out in Oregon where a flat rate is charged by graduating the size of the trucks, the state allowing a set-off of amount of gas bought there against

that tax. This plan, he said, has resulted in a great reduction in the number of truckers who are liable for so-called use fuel tax.

Sinclair spoke on the growth of transportation of petroleum from the west coast and Seek discussed problems of taxation involved in the transportation of petroleum products by pipeline.

Robert Craig reviewed the past year's legislation on taxing fuel and declared the most significant development was the increase of gas taxes in 15 states, with the governor of Missouri now studying similar action.

On Friday the group motored to Bowers' Mansion in Washoe Valley for lunch and later visited Virginia City and Carson City. During the afternoon they were addressed by Governor Vill Pittman of Nevada who urged the states not to press demands for additional tax legislation lest the federal government repeal the present grants and aids program to states for highway repairs and maintenance. Nevada, he said, by itself would be unable to maintain adequately the system of highways in the state without this federal aid.

Commander Hearn, following the governor, spoke on the taxation of gas sold to the federal government.

Election of new officers for the ensuing year found the following heading the governing board: K. K. Douglas, Ohio, president; Paul Culver, New Mexico, vice president; E. Keith Edwards, Illinois, supervisor, motor fuel tax division, secretary; Victor Brodeur, Connecticut, treasurer. Charles Conlon of Chicago remains as executive secretary.

COLORS IN PALESTINE

At day's end on the roof of the American Consulate in Jerusalem, two Marines haul down and fold the flag of their country in the age-old traditional military ceremony. On duty at the Consulate in Jerusalem are twelve Navy men and forty-one Marines. The Bluejackets come, while the Marine detachment is from personnel assigned to the Sixth Task Fleet.

(Official U.S. Navy Photograph)

Boston Visitor Honored At Luncheon Party

TAHOE CITY—Mrs. Don Snyder of Lake Forest last Thursday entertained at luncheon at her home in honor of Mrs. Gene Bennett of Boston. The honoree is the mother of Mrs. Herbert Matthews of Carmel Bay, at whose lakeshore home she has been visiting for a month.

Other guests who participated in the social afternoon included Mrs. A. A. Snyder, Mrs. Matthews and Mrs. Leonard Henry of Lake Forest.

Sugar Pine

A large part of sugar pine lumber is used for sash, doors, blinds, drain boards and woodwork.

Bicyclist Circles Lake In 5 3/4 Hours To Shatter Own Record

TAHOE CITY—Many records for various stunts have been attempted at Lake Tahoe through the years but it took Ubaldo (Shorty) Manocchi to set the bicycle record for the 75 mile spin around the lake highway and improve it over the past three years.

On June 5 this year, he set out for the third time on his 37 pound English bicycle, equipped with three gears—low, used in negotiating hills; medium, used for fast riding on the level, and high permits his chrome speedster to take the long downgrades with breathtaking speed.

During the summer of 1947, Manocchi made his initial trip in 8 hours, 10 minutes, going by way of Emerald Bay. Twelve miles were made on a flat tire, caused by a blowout at Meeks Bay. In 1948 he made the same run in 7 hours, 10 minutes. Even though he had trained well for the event, he was forced to push his bike up some of the steeper hills as the high altitude can prove a real handicap to those unaccustomed to it.

This year he had trained especially for his new record attempt throughout the winter at the San Marcus Hotel in Chandler, Arizona, where he is employed during the season, having pedaled 5,000 miles during his free time. This time he made the entire trip, without getting off the bicycle once, in 5 hours and 44 minutes.

Manocchi stands 5 feet and half an inch and weighs only 108 pounds. He is 51 years young and claims he has never been sick a day in his life. He boasts an enviable coat of tan, has flashing white teeth and shining dark eyes, with a rare sense of humor and spontaneous smile.

He was born at Gubbio, Italy, and came to the United States in

1913.

He points with pride to his service record at Ft. Riley, Kansas, where he was a PFC in the infantry, later serving with the cavalry. He entered at the age of 44 and held his own with the 800 men in his battalion where he ranked second oldest. His superiors pointed him out as the most vigorous in his outfit, although there were times he had a hard time living up to his reputation. Even the army magazines gave him special write-ups praising his stamina. There was one occasion he almost lost his halo. It was when the outfit was on maneuvers, with full pack, hiking a distance of 22 miles and then going through all the stunts they had learned in training. Manocchi weighed only 115 pounds—and his pack weighed 86 pounds! He smiles now as he remembers how his lieutenant and sergeant slipped up to his side inquiring if they could carry his rifle. He would have given a lot to be rid of that extra nine pounds but wouldn't give in. He kept right on with the full load and made it with flying colors.

Although a barber in New York City for 27 years, he does not believe he will return to his former trade. Shorty came west three years ago and has become so enchanted with the climate

and hospitality he wants to remain. He hopes someday to establish himself in a little business and has been saving through the years to speed this dream to reality.

Says Shorty, "Anyone can have good health by living a clean life. I'm going to live to be 100! And I'll still be taking daily spins on my bicycle!"

U. S. Navy Family at Home in Nippon

Two Japanese housegirls are shown serving breakfast to a Navy chief petty officer and his family in Japan. There is no talk about the high cost of living among the more than one hundred Navy families at the Headquarters of the Commander, Fleet Activities, Yokosuka. For twenty-seven dollars a month they occupy from five to seven rooms furnished complete with electric ranges, telephones, refrigerators and houseboys. Features of the Navy community, known as the Griffin Park Housing Area, include schools, a modern department store, a well-stocked commissary and a beauty salon. (Official U.S. Navy Photograph)

My Place In the Sun

by DOUG BARRETT

Was unceremoniously roused out at 3:30 Monday morning to answer the alarm for George's Cafe fire. A lot of credit for a large and prompt turnout of firemen goes to Topsy Vertner who hits the phone before the last siren echoes die to rouse the deep sleep firemen. Wes Moreland can really wield a powerful sledge hammer when the occasion demands. Tenants in the Smith Apartments really had a ring side seat for the roof top operation. Herb Mattheus arrived from Tahoe in record time and was relieved to find his furniture stock next door was not piled into the street. Over coffee at the California, the firemen discussed the real need for another hydrant on the main street. There's only one now, in front of the Sierra Tavern, which meant a lot of hose was laid for the fire at George's, which took Garing T. McGee quite a while to roll up that afternoon. Incidentally, I read in another paper where there is a George Andrich in Roseville, and he's a cafe operator, which I was unable to confirm but it struck me as an interesting coincidence. A lot of birthdays this week. Laura Gaiennie, Sept. 7; Steve Kolos and my daughter, Kathryn, Sept. 13; Elythe Deaton and Tony Pace, Sept. 14; Dick Joseph, Sept. 15; Susan Porter, Sept. 9 (her first);

Loren Vertner, Sept. 13; Olla Sept. 12, and anyone else we may not have heard of, we wish you all many happy returns to the date. Tom Borneman tells me his brother Frank placed 5th in the national pistol shoot at Chicago this month, and won a berth on the Yankee team to the internationals in Buenos Aires in October. Frank is one of the Truckee Outing Club's Class A ski jumpers. Gordon Hooley of Sugar Bowl accuses Peanie Loynd of breaking his foot skiing, but of course both Peanie and the season make this unlikely. Ran into Ernie Fleming, over on the mainland from Hawaii, trying to find some familiar faces after ten years absence. His friends will be sorry to hear he lost a leg while working for the CAA in the islands, but will be happy to know he is happily married and in good health and spirits, and plans to return to his job in January. Hes Cardinal back in town from a stint of jury duty at Nevada City.

under this Lamp Shade"

**MORE LIGHT!
BETTER LIGHT!**

for easier seeing...new lighting beauty
from the new *Certified Lamps!*

Certified Lamps are different. Use one and you will SEE the difference.

Yes, Certified Lamps are different...

because of the exclusive reflector bowl which puts more light over a reading area than any lamp has ever given before.

because of the shade which is dense enough to hide the bulb, deep enough to cover the bulb and wide enough to give maximum spread of light.

because of the reflector, a part of the glass diffusing bowl, which controls the light so that only 1/3 of it is directed upward and 2/3 downward.

Be sure to see the new Certified Lamps when your favorite dealer has them on display. There are styles in floor lamps, swing-arm and bridge lamps as well as large table lamps and end table models.

Squaw Valley To Be Ready To Open Around November 15 Says Cushing

TAHOE CITY—The Frances Construction Company of Santa Rosa is rushing completion of the 100x50 foot two story Squaw Valley Lodge, according to Alexander Cushing, secretary-treasurer of the Squaw Valley Development Company, with work right on schedule.

The main building, which boasts four terraces, will cost around \$100,000 and will contain two cafeterias, kitchen, a cocktail lounge, waxing, drying and locker rooms, camera shop and ski shop. first aid room and a doctor and ambulance will be available on ten minutes notice. The lodge, with adjoining buildings, will accommodate 160 guests. Building costs will approximate \$200,000 and the entire investment of the company will probably run close to half a million dollars.

Cars may be driven directly to the lodge over a 2 1/2 mile paved road, constructed by Thomas Brothers of Tahoe City, which turns off Highway 89 near Squaw Creek. This will be kept open by the company's rotary plow, a pushplow and bulldozer.

Accommodations will include dormitories, rooms, sleeping bag space and suites and parking area for 1,000 cars will be available. Additional accommodations of every type will be available at nearby Truckee and Tahoe resorts. Tahoe Tavern has set December 23 for first winter opening since 1932. A large ice skating rink on the Tavern grounds is planned and skiing and sleigh riding will be available at Olympic Hill and Granlibakken as well as Squaw Valley.

Squaw Valley Resort, 10 miles from Truckee and five from Tahoe City, will secure its water supply from Squaw Creek and from natural springs on the property, which covers 1800 acres.

Around these springs in early days, Washoe Indians sought around the rocks for red oxide deposits with which they painted their faces during tribal celebrations. Romance of the old west lingers around the valley and its mountains, where the course of the lift, which rises 2000 vertical feet, parallels the old Emigrant Trail over which pioneers crossed the Sierra to reach the California valleys. Portions of famous movies were made in the vicinity.

Transportation to Squaw Valley the year around has been assured

through cooperation of rail, bus and air lines.

November to June skiing is anticipated on 9,000 foot Squaw Peak. The chair lift will have 180 44-inch wide chairs on the 8200 foot rise, powered by a 150 horsepower engine and will have a capacity of 600 persons an hour, making it the largest double chair lift in the world, according to Cushing.

The \$95,000 lift and two rope tows will be available and ready for operation by November 1.

The big lift will be operated in the summer, affording tourists a magnificent panorama including a view of Lake Tahoe and the surrounding mountains. A 150 foot jumping hill will be located near the lodge will provide a thrilling spectator sport and the floor of the valley may be utilized as a course for sled dog races.

In the seasons, the resort will cater to hunting and fishing parties. The lodge will open on November 15, according to present plans. Emile Allais, internationally famous French expert, will arrive before December 1 to take

Welfare State Scored At Tahoe Conclave

AL TAHOE—Two hundred delegates to the fifth annual industrial relations conference of the Western Employers Association closed their three-day conclave here on Tuesday.

The majority of the speakers deplored what they contend is a trend toward socialization, collectivism and a welfare state in which labor leaders dominate the elected representatives of government. They urged citizens to take more active interest in politics.

The highlight of the program was the panel discussion late Saturday in which Congressmen Thomas H. Werdel of the tenth California district, Richard M. Nixon of the California twelfth district and Samuel K. McConnell Jr., of Pennsylvania, participated. The discussion on labor legislation of the 81st Congress was under the chairmanship of Almon Roth, president of the San Francisco Employers Council.

Fulton Lewis Jr. of Washington, D. C., spoke on A Citizen's Responsibility to His Congressman at the opening session. He asserted the prime responsibility of the citizen is to vote.

Vets Advisor Is Due Here on September 23

A contact representative of the Reno office of the Veterans Administration will visit Truckee on Friday, September 23. The representative will make his headquarters at the Truckee Public Utility office from 10 a.m. until 3:00 p.m.

Any problems concerning benefits and privileges to veterans under the VA will be handled at that time.

Firemen Hold Meeting At Moro's on Tuesday

The Truckee Volunteer Fire Department held its monthly dinner meeting at Moro's Tuesday evening with Chief N. F. Dollev presiding. The desirability of more hydrants around Truckee and a proposal to hold periodic fire drills were discussed following the dinner.

Here from Detroit—

Guests at the A. Mahne home the past week were Mr. and Mrs. Joseph Zimmerman of Detroit, Michigan, and Mr. and Mrs. Rudolph Sustarich of San Francisco.

Mr. and Mrs. E. A. Parker recently visited her sister-in-law, Mrs. C. F. Files of Lincoln, who is convalescing with a broken back and a fractured leg.

Mr. and Mrs. Jack Lange of San Diego visited Mr. and Mrs. Robert Leamon on Monday.

Dr. and Mrs. Earl Guthridge of Oakland are writing local friends of their progress in the eastern states. They recently visited Hyde Park and West Point and watched the Queen Elizabeth sail and planned to see the Yankees and Boston play ball.

Continental Marines

Enlisted men of the Continental Marines wore green shirts, green coats with red facings, breeches of light-colored cloth, woolen stockings and round, green hats with white bindings.

Like Father... Like Son...
and both like Rough Riders... naturally!

Just the right sort of comfort for armchair-before-the-fire relaxing... for a lazy saunter through the park... or for a guaranteed-squirmless double-feature movie! That's famous Rough Rider California comfort! There's plenty of easy-going comfort and action-freedom in every pair... in every stitch of Rough Riders... they're tailored just right in the smooth California manner. First quality fabrics, of course... stitched and double-stitched for longer wear. Treat the men-folks in your family to Rough Riders... for comfort!

CABONA'S

Truckee, California

IT PAYS TO TRADE IN TRUCKEE

DEER HUNTING SEASON

IN THIS DISTRICT EXTENDS FROM

SEPT. 16 thru OCT. 15

Bag limit is one buck. Shooting hours for deer and all big game is from one-half hour before sunrise to one-half hour after sunset.

State law requires the return of deer tags by successful hunters. Each tag is to be filled out by the hunter and validated by authorized officers.

Sale of deer, deer meat or hides is prohibited.

Does, fawns and hides with evidence of sex removed cannot be possessed.

It is unlawful to carry or use another person's deer tags or license.

A state hunting license is required for the taking of any bird or mammal other than predators. In addition to a hunting license, deer tags are necessary for the taking of deer. Persons under 12 years of age are not eligible for deer tags.

Tarzan

by EDGAR RICE BURROUGHS

ACCOMPANIED BY A LOW, RUMBLING SOUND, CAUSED BY THEIR HEAVY, ROLLING BODIES, THE ONONOE SWUNG INTO THE CORRIDOR.

THE FEMALE ONONOE LITTERED A LOW WARNING. "WHAT IS IT, NADEE?" BARBARA WHISPERED. "GLUXA COMES!" NADEE SAID.

SILENTLY, TARZAN MOVED TO THE DOOR. FROM BEYOND CAME THE FAINT SOUND OF STEALTHY MOVEMENTS.

"IF GLUXA FINDS YOU HERE, WE SHALL BOTH DIE," BARBARA SAID. "HE MUST GO!" NADEE CRIED. "THE DOOR TO THE REAR CORRIDOR!"

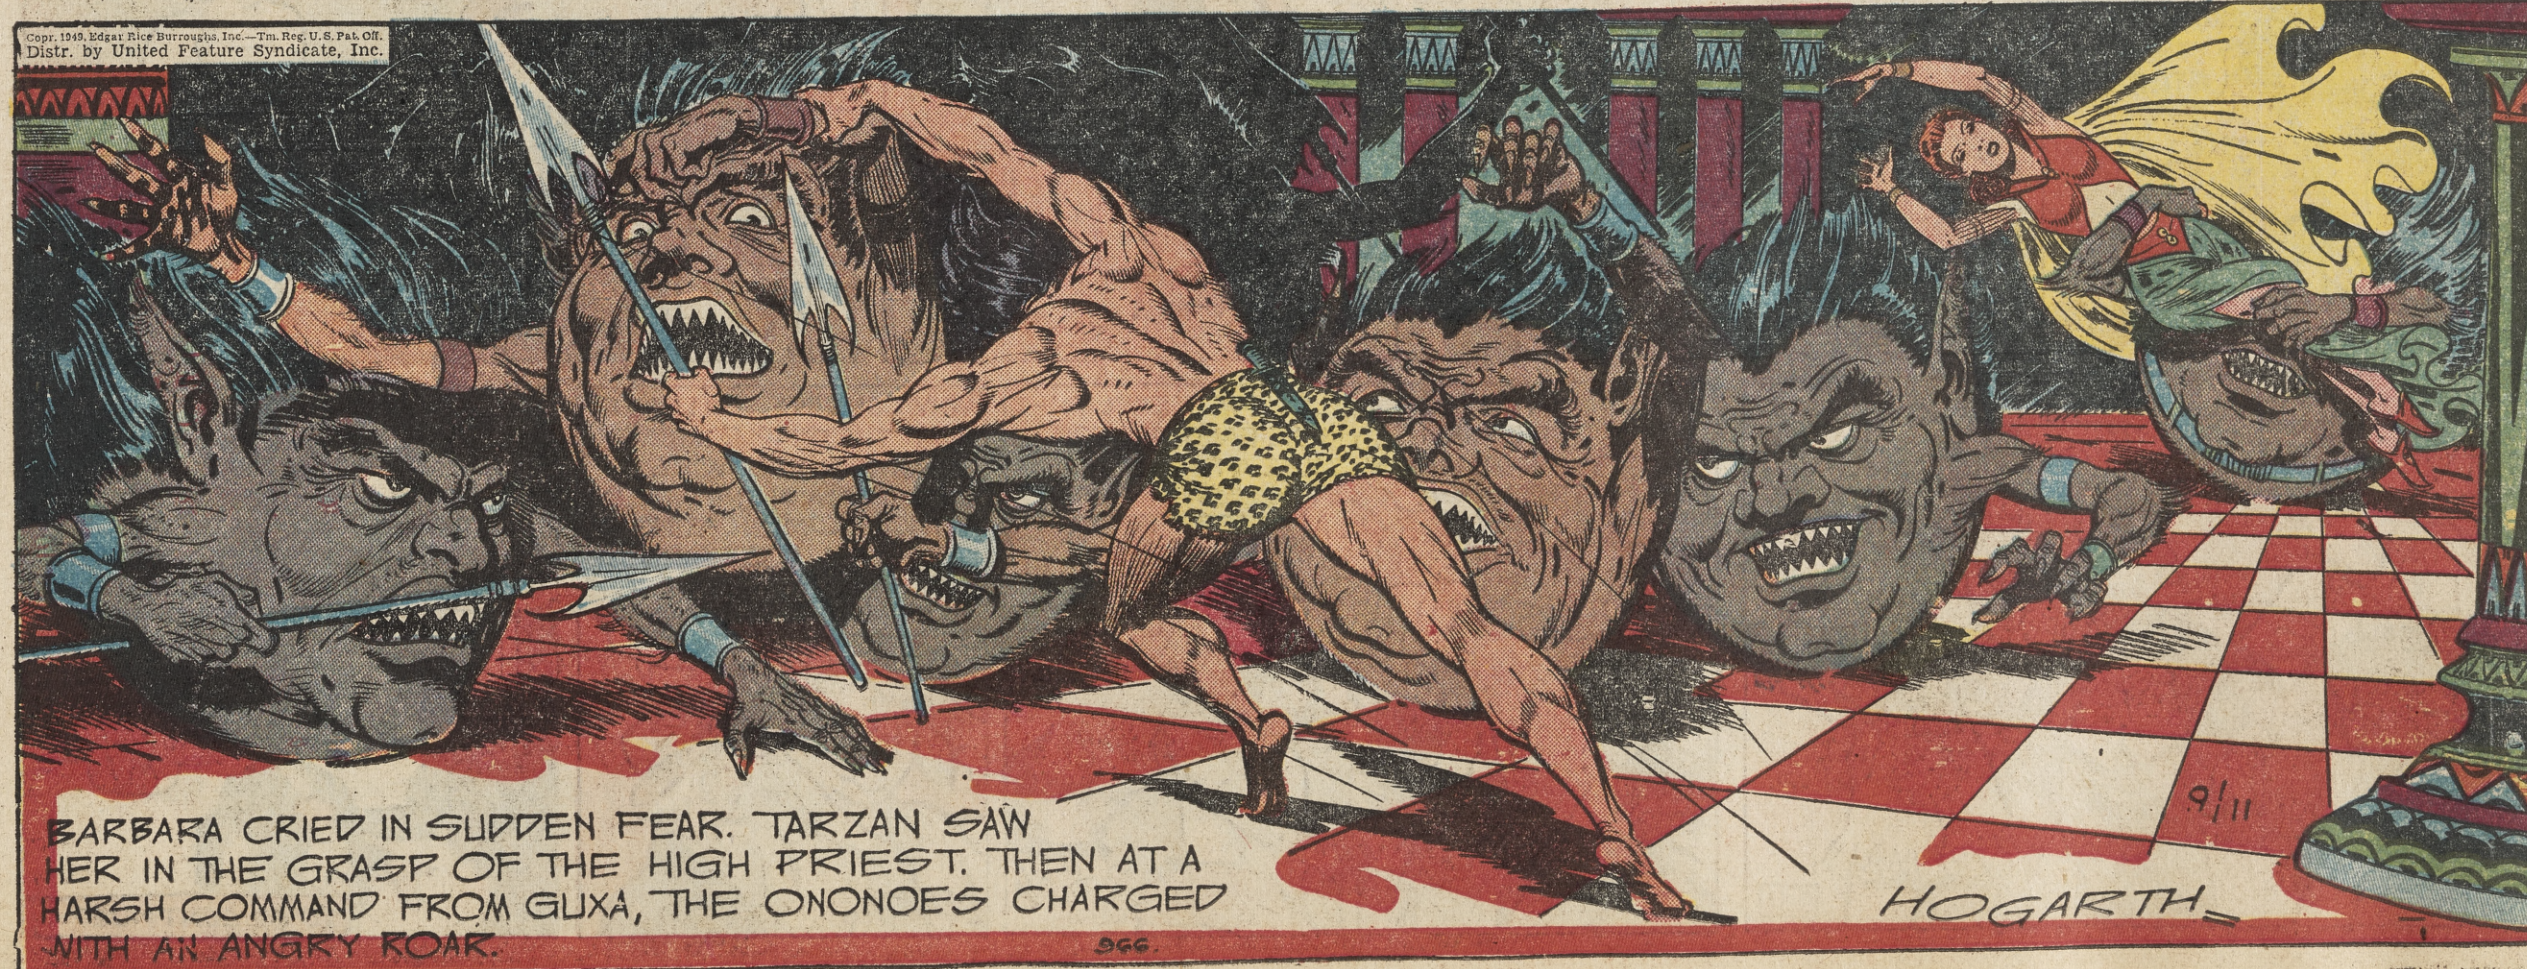

"OPEN THE DOOR IN THE OTHER ROOM," TARZAN DIRECTED. "I'LL LEAVE BY THIS ONE. I'LL RETURN WHEN THEY GO."

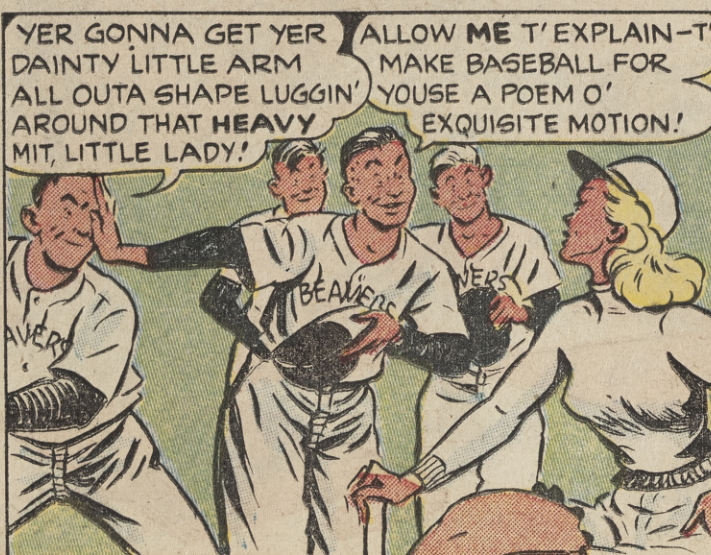

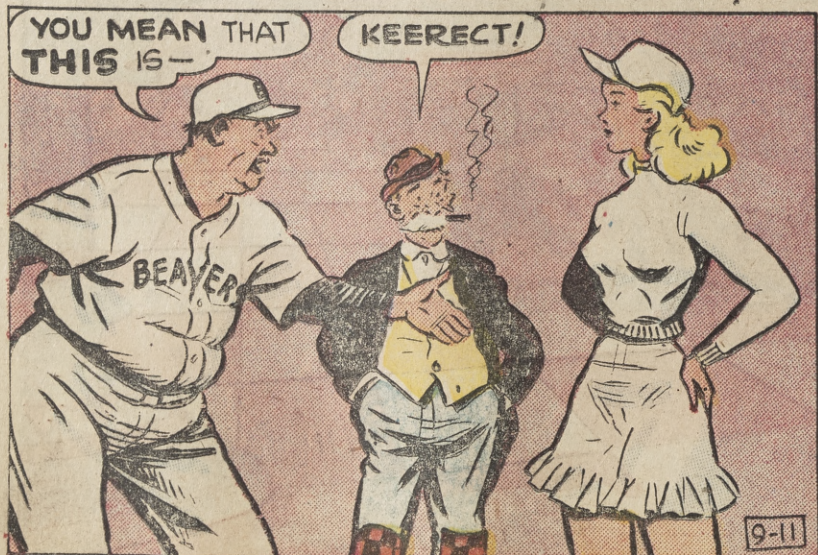

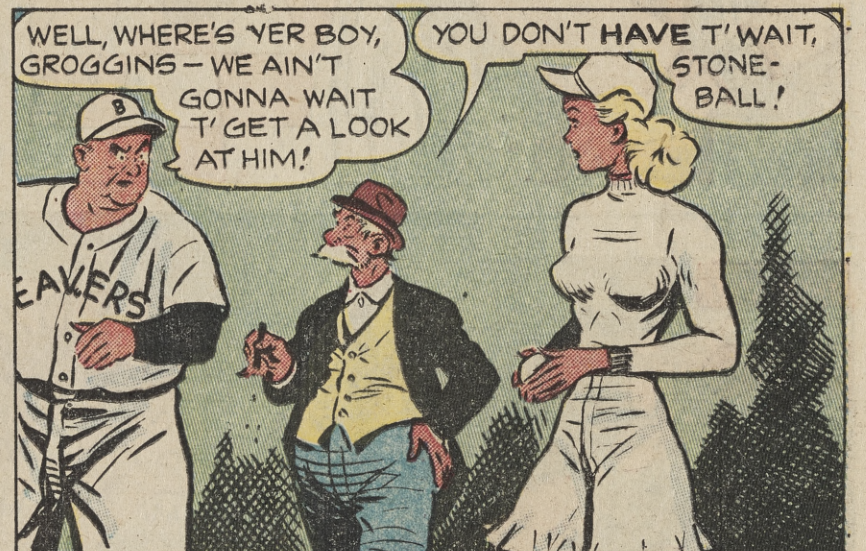

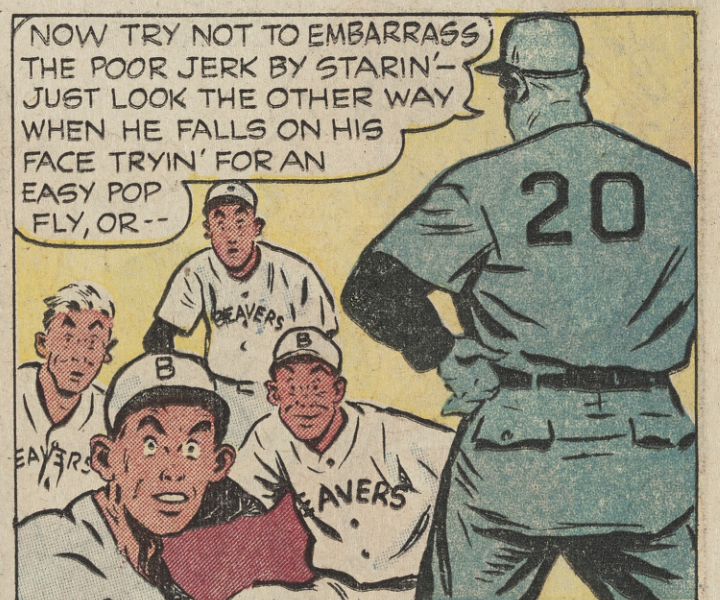

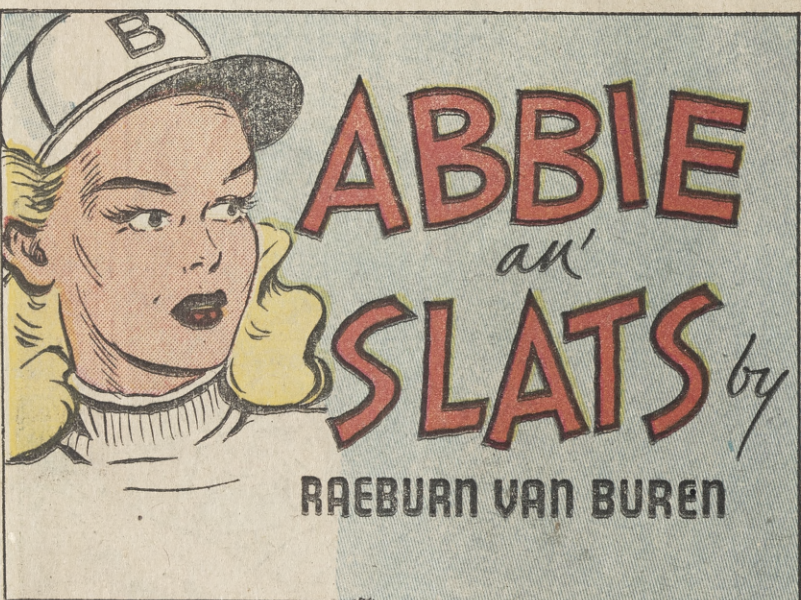

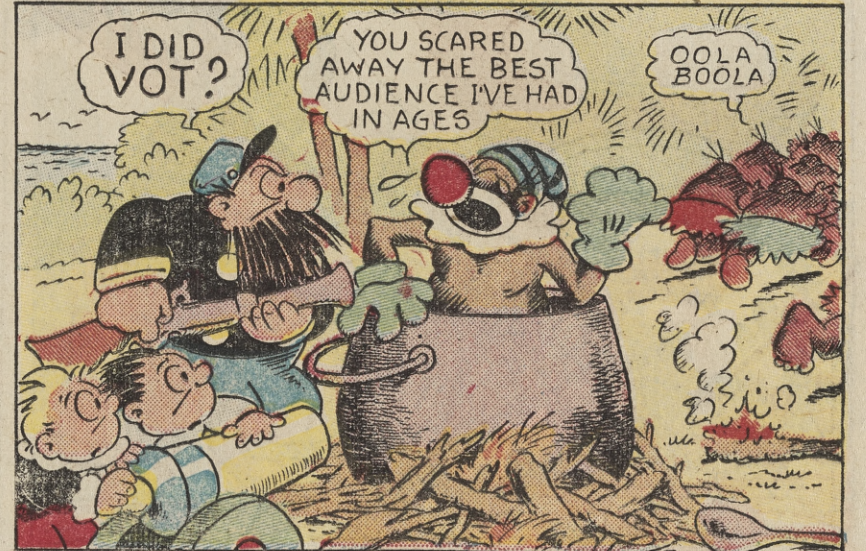

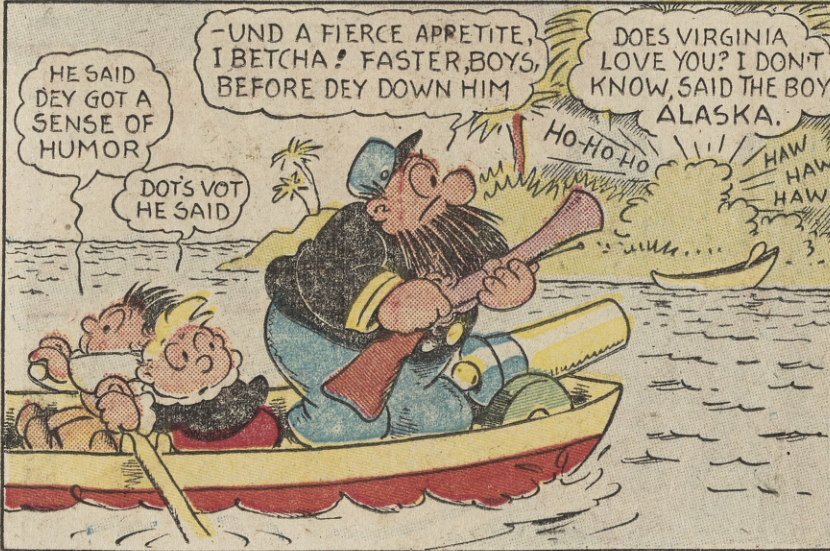

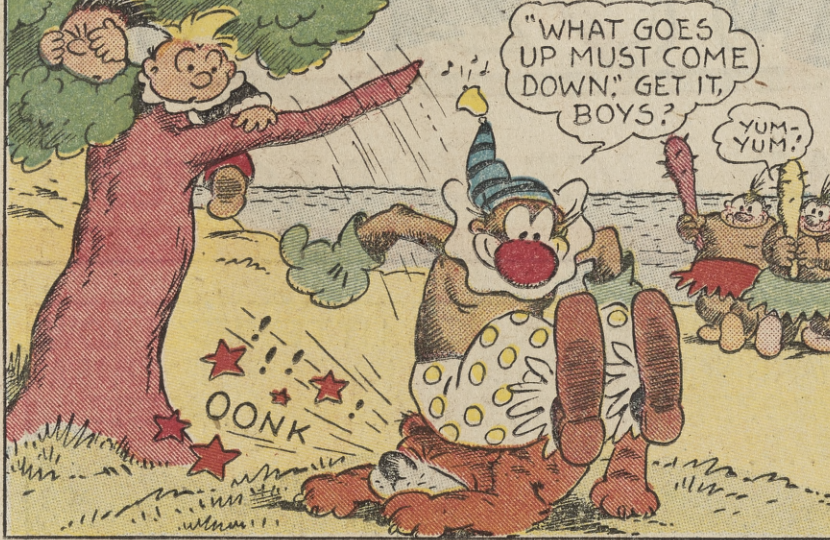

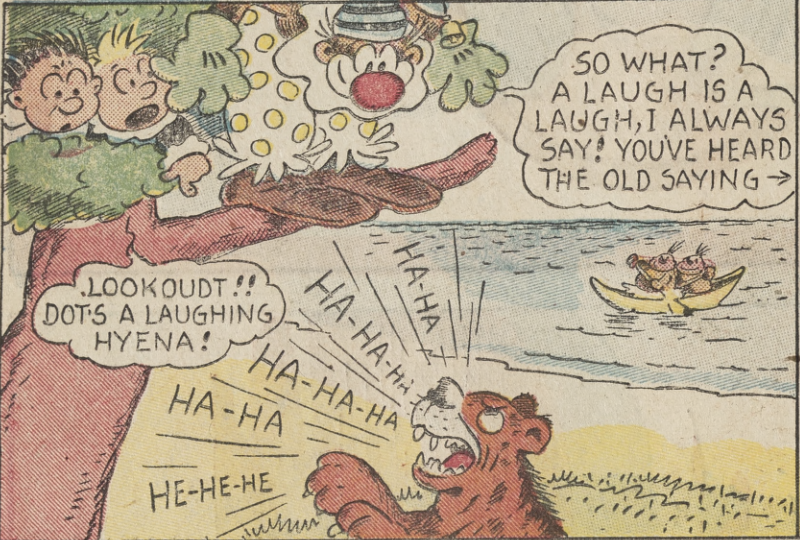

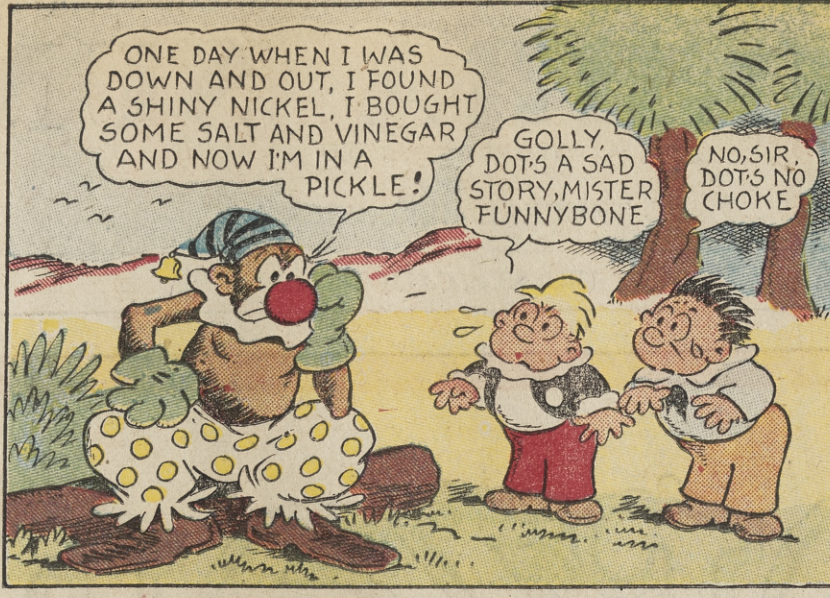

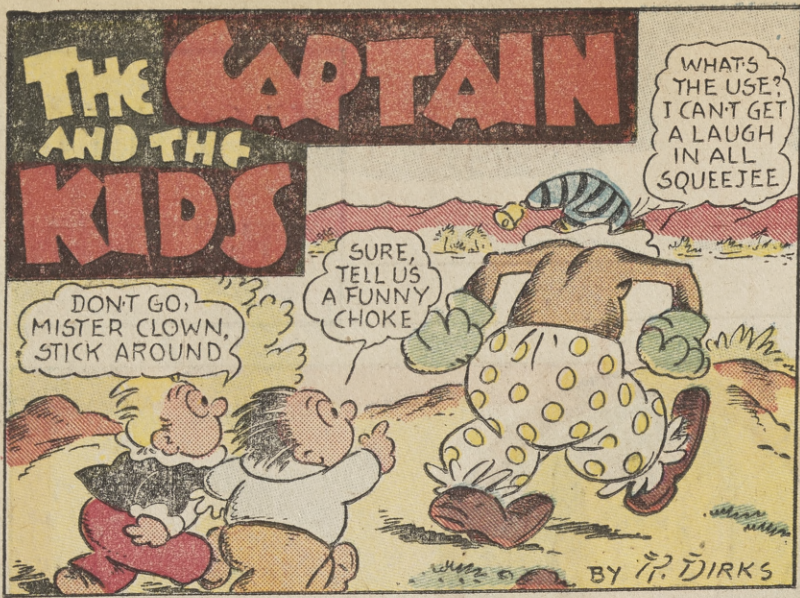

TARZAN LIFTED THE BAR AND OPENED THE DOOR.

THE EXIT WAS FILLED WITH SPEAR-ARMED ONONOE.

BARBARA CRIED IN SUDDEN FEAR. TARZAN SAW HER IN THE GRASP OF THE HIGH PRIEST. THEN AT A HARSH COMMAND FROM GLUXA, THE ONONOE CHARGED WITH AN ANGRY ROAR.

HIX'S STRANGE as it seems

LOUISA OF PRUSSIA--
WHILE ESCAPING FROM BERLIN AHEAD OF NAPOLEON'S ARMY, KEPT HER CHILDREN QUIET BY MAKING CHAINS OF CORNFLOWERS!

YEARS LATER, ONE OF THE CHILDREN, THEN WILHELM I, REMEMBERING THE INCIDENT, PROCLAIMED THE CORNFLOWER THE NATIONAL FLOWER!

JOE PADDERTZ of Tallahassee, Florida, WHO SCORNS THE USE OF ARTIFICIAL HANDS, IS A CRACK SHOT WITH BOTH A PISTOL AND A LIGHT SHOTGUN!

HE SHOOTS FROM THE HIP AND SIGHTS BY "TRIANGULATION"...

HE USES ARTIFICIAL HANDS ONLY WHEN DEER HUNTING WITH A HEAVY GUN...
